WATER QUALITY BOARD—MITCHELL LAKE POLLUTION— STUDY, PLAN AND REPORT AMENDMENT OF S.C.R. No. 41

H. C. R. No. 7

BE IT RESOLVED by the House of Representatives of the 62nd Legislature, 1st Called Session, the Senate concurring, That S. C. R. No. 41, 62nd Legislature, Regular Session, be amended by striking the entire Resolution and substituting the following:

BE IT RESOLVED by the Senate of the State of Texas, the House of Representatives concurring, That the Texas Water Quality Board is hereby authorized and directed to make a study and if practical, devise a plan in conjunction with the Texas Water Development Board, the County of Bexar, the City of San Antonio, the San Antonio River Authority, the Texas Parks and Wildlife Commission, and the State Health Department for the purpose of cleaning the water of Mitchell Lake, and providing for the permanent conversion of the reservoir into a public recreation lake for inclusion in and in conformity with the State Recreation and Park Plan or such other beneficial use as they may find practical; and be it further

RESOLVED, That a report shall be completed and presented to the Governor and members of the Legislature not later than one (1) year after the passage of this Act; and, be it further

RESOLVED, That the report shall include the views of all agencies enumerated herein in the development of any plan plus the opinions of such agencies regarding the final recommendation of the Texas Water Quality Board; and, be it further

RESOLVED, That any plan developed shall include a detailed financing scheme and schedule for implementations and identify any authorizations or appropriations required by the Legislature to facilitate accomplishment of the plan.

Adopted by the House on June 4, 1971; adopted by the Senate on June 4, 1971.

Filed with the Secretary of State, June 10, 1971.
